Journal of Advanced Oral Research (AAD) announces a call for papers and invites manuscripts for the forthcoming issues.

The journal aims for research, scientific facts and details covering all specialties of dentistry with a good determination for exploring and sharing the knowledge in the medical and dental fraternity.

Journal does not limit itself to any specialization and, therefore, interests a wide range of readers throughout the globe including:

- Orthodontics and dentofacial orthopedics
- Periodontology
- Pediatric dentistry
- Prosthodontics
- Restorative dentistry and Endodontics
- Oral Implantology
- Preventive and Community dentistry (Dental public health)
- Oral and maxillofacial medicine
- Oral and maxillofacial pathology
- Oral and maxillofacial radiology
- Oral and maxillofacial surgery
- Special needs dentistry
- Oral Biology
- Forensic odontology
- Geriatric dentistry
- Dental BioMaterials

Five key reasons to publish in **Journal of Advanced Oral Research**:

- The journal scope is huge covering almost all streams of dentistry- starting from original studies, systematic reviews, narrative reviews to a very unique case reports from various specialties of dentistry.
- The journal publishes original research papers and review articles.
- Publication in print and online via the award winning SAGE Journals platform will ensure maximum visibility and discoverability of your work.
- Your article will be peer reviewed.
- Unprecedented international reach: SAGE is the world's leading independent academic publisher. SAGE proudly retains a culture that puts quality and individual relationships first. Your article will have global reach through SAGE's principal offices in Los Angeles, London, New Delhi, Washington DC, Singapore and Melbourne.

Submission of manuscripts should be made electronically only. The electronic version of the article should be e-mailed to the Editor-in-Chief at editor@joaor.org
