**FIIB Business Review** announces a call for papers and invites manuscripts for the forthcoming issues.

The journal seeks to build a platform of knowledge network between management academicians, policy makers and practitioners by establishing a dialogue through a mixed publication basket that provides insightful perspectives on emerging managerial themes, management research of value to professional managers and academics, and management cases on contemporary managerial issues.

Journal's aim is to promote applied research in emergent themes that improve the practice of management; and serve as a vehicle of communication, between those who study management and those who practice it, by publishing articles that are both research-based and practice-based.

Five key reasons to publish in **FIIB Business Review**:

- The journal promotes applied research in emergent themes that improve the practice of management; and serve as a vehicle of communication, between those who study management and those who practice it, by publishing articles that are both research-based and practice-based.
