Higher Education for the Future is a bi-annual peer-reviewed multi-disciplinary journal that is designed to shape the new generation of higher education based on national and international experience. It seeks to address a wide spectrum of issues including research, policy, pedagogy, accreditation, assessment, quality enhancement, best practices and all related areas in higher education.

Priority would be given to research articles. Manuscripts should have a length of 5000-6000 words. There should be an abstract of about 150-200 words, five to seven keywords, a mailing address and a brief profile of the author. Authors must follow the prescriptions of the publication Manual of the American Psychological Association (5th ed., 2001). Manuscripts are evaluated by two referees using a blind review process. Papers which have been partially or fully published elsewhere should not be sent.

Articles are invited for the **July 2015 issue**.

Contributions should be submitted through email to journal.kshec@gmail.com
